<http://www.zurinstitute.com/> Ofer Zur, Ph.D

**Would you like to know more about clinical and ethical aspects of dual relationships?** In this workshop, we'll use vignettes from movies to illustrate and discuss some of the most important ethical issues that arise in therapy, including touch, gifts, self-disclosure, e-therapy, dual relationships, and therapy-related out-of-office contact with clients. Among the movies we'll discuss are What About Bob, Deconstructing Harry, Good Will Hunting, Antwone Fisher, Prime, and The Prince of Tides. 6 CEUs will be available \*
